

Individuals and Libraries:

Join 830,457 Subscribers and Become an MBR Charter Subscriber to Receive a Price Discount for Life

When you subscribe for 2021 or 2022 at the low introductory price, you will become a charter subscriber, which will entitle you for life to a discount on the list subscription price. Furthermore, while other journals charge additional fees for classroom use of articles, MBR will make its articles freely available for use in degree program classes at any school whose library subscribes to MBR. Subscribe online at: <https://mbrjournal.com/join-mbr/>
