

Share the First Two Issues of MBR with Everyone You Know and Encourage Them to Share with Everyone They Know

The Management and Business Review is meant for everyone in the business community around the world. To get it into the hands of as many people as possible, we request that you share this issue and the next with everyone you know. This issue is available at the link below, as the next issue will be once it is published.

You can pass along these issues in several ways:

1. Share each issue or the above link by email with everyone you know who might be interested. You might also want to share it with everyone in your **Send** folder or any other folder. Please remember to invite your recipients to share it with their contacts and so on. Here are two links to download instructions for sending emails from your folder:

It may be a good idea if you put yourself in the “To” field and your contacts in the “Bcc” field. That way, you will avoid sharing everybody’s email with everybody else on the list.

2. Post the issue or the above link publicly on your website or on social media and invite your contacts to do the same, creating a distribution chain.
3. Invite the head of your organization to share the issue or the above link throughout your organization.

Thank you for helping us to spread the word about MBR and strengthen our global business community.
